## You In Five Years

### Who could I be by the year 2024?

“But make sure that you don’t get so absorbed and exhausted in taking care of all your day-by-day obligations that you lose track of the time and doze off, oblivious to God. The night is about over, dawn is about to break. Be up and awake to what God is doing! God is putting the finishing touches on the salvation work he began when we first believed. We can’t afford to waste a minute, must not squander these precious daylight hours in frivolity and indulgence, in sleeping around and dissipation, in bickering and grabbing everything in sight. Get out of bed and get dressed! Don’t loiter and linger, waiting until the very last minute. Dress yourselves in Christ, and be up and about!”

Romans 13:11-14

### Do you want the life you purposed or the life you’re stuck with?

“Dress yourselves in Christ, and be up and about!” Romans 13:14

### The ways you let in become the ways you are set in.

“So remove your dark deeds like dirty clothes, and put on the shining armor of right living. Because we belong to the day, we must live decent lives for all to see. Don’t participate in the darkness of wild parties and drunkenness, or in sexual promiscuity and immoral living, or in quarreling and jealousy.” Romans 13:12-13

### Time is NOT on your side.

“We can’t afford to waste a minute, must not squander these precious daylight hours in frivolity and indulgence, in sleeping around and dissipation, in bickering and grabbing everything in sight.” Romans 13:12

“My entire lifetime is just a moment to You; at best, each of us is but a breath.” Psalm 39:5

Your future is an exaggerated version of the current you.

Time doesn't change who you are, it reveals who you are.

"He who earnestly seeks good finds favor, But trouble will come to him who seeks evil."  
Prov. 11:27

"That critical spirit has a way of boomeranging." Matthew 7:2

If you don't like what you're getting, change what you are doing.

"The evening of your life is determined by the morning of it." Greg Laurie

Ongoing consistency is much more important than short-term intensity.

"Compound interest is the eighth wonder of the world. He who understand it, earns it."  
- Einstein quote

"Dress yourselves in Christ and be up and about." Romans 13:14
