

Wells Week 1

"What we're drinking from today is what someone dug out years ago."

The Israelites moved on...Then they set out...in the wilderness...From there they moved on and camped...They set out from there and camped alongside...which is in the wilderness...From there they continued on to Beer, the well where the Lord said to Moses, "Gather the people together and I will give them water."

[Numbers 21:10-16]

Then Israel sang this song: "Spring up, O well! Sing about it, about the well that the princes dug...the nobles with scepters and staffs."

[Numbers 21:17-18]

"There is a bit of wilderness in every promised land."

"Even God-places have dry seasons."

"When things get dry, don't doubt—dig."

"What God is not doing in your life is just as important as what God is doing."

"Gather the people together and I will give them water."

[Numbers 21:16]

"...about the well that the princes dug...the nobles with scepters and staffs."

[Numbers 21:18]

"A well in the wilderness is what God did with what we dig."

"There is a well in every wilderness."

Then Israel sang this song: "Spring up, O well!"

[Numbers 21:17]

"There is power in singing while you're digging."
